Jotters have provided Buddy support at Regent College for a number of years as well as exam support when required. Since the start of this academic year the college's support requirements have increased and we now provide in-class support to 22 students and also Study Skills support to 16 students. Due to the number of students who require support, more of the team are now working over at the college, as a result of this it was a prudent time to enlist a Senior Academic Support Worker to support the team at Regent. Ketan Chauhan has been asked to undertake this role because of his experience in working at the college and as a Mentor. His responsibilities will include meeting new starters, he will be available to listen to any concerns and will provide feedback to Mala. He will also manage a forum so that staff can share ideas and ways to demonstrate best practice. His contact details are 07835 013132 / [ketanroc@hotmail.co.uk](mailto:ketanroc@hotmail.co.uk) should you need to contact him
