

## The move to Phoenix Yard

If you've not had chance to visit the new office yet please do so. We've had positive feedback from staff who have been to see it which we're really pleased about. Phoenix Yard is much bigger than any of the offices we've had in the past. There's lots of space, as well as this there are two support rooms available, an area for you to spend time and kitchen facilities for everyone to come and enjoy.

### Staff Member of the Term **Dan Bolger**

Dan's nomination stood out this month. By using his initiative and being creative in his thinking when working with an Arts student. A student was let down in terms of space to display his art work at the end of the year. Dan suggested contacting local letting agencies and suggested selling this as a mutually beneficial venture. The student got space to display his art, and the agent got to promote the space whilst demonstrating support for a local artist . This has resulted in the student getting a fantastic space in a prime location in the city, taking away stress and supporting him in his academic studies and ultimately in becoming a successful artist.

Really well done Dan amazing work!

Green Impact is a nationwide initiative within colleges and universities to encourage us to be more eco-friendly. Jo has recently been involved in working towards a bronze award for Jotters & the Learning Support Centre. We were audited on April 25<sup>th</sup> and are currently awaiting the results. We already operate in an efficient way but are hoping to one day become a paperless office.....

More information is available at  
<http://www.green-impact.org.uk/dmu>

## Senior Say So

is a new feature for The Voice giving our seniors an opportunity to communicate with all staff.

### Hayley Wright

*Senior Academic Support Worker*

Following on from Easter the weekly meet ups are stopping for this academic year. I will be around still, so if you are free, give me a text. It's been fun and thank you all ....Happy Jotting!!!

### Anne Reck

*Senior Study Skills Tutor*

**The Art of being dyslexic**

### Sarah Morgan

*Senior Mentor*

I would like to let staff know about Sconul. This is a company which allows all university students to have access to other university libraries all over the country. This could be particularly useful for students who want to access research materials when they travel back home and want to continue their studies.

Here is the link for how to access it and what they need to do to gain entry into other libraries;

<http://www.sconul.ac.uk/sconul-access>

**Spring training took place from Friday 4<sup>th</sup> April. Training is a great opportunity to learn new things to aid the support you provide and is a great opportunity to meet with colleagues you may not see that regularly. Please let us know if you have any suggestions for future training sessions**

**Staff news: if you have anything you would like to share with the team please let Jo know on [admin@learningsupportcentre.com](mailto:admin@learningsupportcentre.com)**

Louise Sidki recently shared a really interesting enterprise opportunity for our students:
