Help When Completing your Paperwork

Please **complete your coversheet prior to coming into the office** to submit your timesheets. This is a timesaving strategy and makes the timesheets easier to check. If unsigned timesheets are received signed during the month, they will be in your folder and you will have been informed via email that they have been sent back.

Procedure for unsigned timesheets – timesheets that are submitted which are unsigned by students will not be processed for payment except in exceptional circumstances. The onus is on you to obtain a signature. Unsigned timesheets can be scanned and emailed to students, or posted as a last resort but keep in mind that these options are costly in time and resources. If you provide virtual support the above does not apply however it's important to indicate the session was virtual on your coversheet.

If you are asked to provide **Note-Taking and the typing up of the notes** for a student the typing time is half the time of the lecture e.g a one hour lecture / 30 minutes typing time or a two hour lecture / 1 hour typing time

When you are referred a student you will be **advised of the support type you are expected to provide**. If there is more than one type e.g. Note-Taking and Workshop Assistant, you need to complete a different timesheet for each support type. This is because the student will have been allocated a set amount of hours for each support which the office will monitor.

Where possible, we prefer for timesheets not to be folded as the folds in the paper cause the photocopier to jam.

Performance Development Review (PDR) timesheets- please complete a paper timesheet and obtain an authorising signature from your reviewer during the PDR, submit as normal.

Buddy support is now known as Study Assistant.

If you have a query regarding **tax** or your **salary** please contact **Jackie** via

jackie@learningsupportcentre.com

Timesheet Submission Days 2015/16

October 16th
November 20th
December 18th
January 15th
February 19th
March 18th
April 15th
May 20th
June 17th
July 15th
August 19th
September 16th

Timesheet Dos

- Fill in your timesheets accurately
- Contact the office if you're not sure about something
- Double check your figures before submission
- Complete timesheets in black ink
- Complete timesheets at the end of each session

Timesheet Don'ts

- Write 'did not attend' (DNA) or lecture cancelled on your timesheets
- Use your timesheet to make notes on
- Write all of your upcoming sessions on your timesheet
